Patient Centered Medical Homes/Hogares médicos centrados en el paciente

A patient centered medical home (PCMH) is health care that's all about you. It's between you and your provider. Your provider leads a team of health care professionals in a medical office to help improve your total health and reach your health goals. Your PCMH team will have a provider you pick. With a PCMH, you can:

- See your PCMH team every time you need care
- Get answers to your health care questions
- Set short- and long-term health goals
- Make the best choices for your health care
- Have more scheduling options
- Get quality health care and meet your mental health needs

The providers in this chapter have been recognized as PCMHs by national accrediting groups. These providers are PCMHs because of what they offer to our members. The groups that recognized these providers as PCMHs are:

1. The National Committee for Quality Assurance
2. Utilization Review Accreditation Commission
3. Accreditation Association for Ambulatory Health Care
4. The Joint Commission
5. Other PCMH recognition programs like those offered through colleges

To pick a recognized PCMH, look at this chapter. Recognized PCMHs have a team of health care professionals working together for your health care needs.

Un hogar médico centrado en el paciente (PCMH) es cuidado de la salud que se trata totalmente de usted. Es entre usted y su proveedor. Su proveedor lidera un equipo de profesionales de cuidado de la salud en un consultorio médico para ayudar a mejorar su salud total y alcanzar sus metas de salud. Su equipo de PCMH tendrá un proveedor de su elección. Con un PCMH, usted puede:

- Ver a su equipo de PCMH cada vez que necesite cuidado
- Obtener respuestas a sus preguntas sobre cuidado de la salud
- Establecer metas de salud a corto y largo plazo
- Tomar las mejores decisiones para su cuidado de la salud
- Tener más opciones de programación
- Obtener cuidado de la salud de calidad y satisfacer sus necesidades de salud mental

Los proveedores en este capítulo han sido reconocidos como PCMH por grupos nacionales de acreditación. Estos proveedores son PCMH debido a lo que les ofrecen a nuestros afiliados. Los grupos que reconocieron a estos proveedores como PCMH son:

1. The National Committee for Quality Assurance
2. Utilization Review Accreditation Commission
3. Accreditation Association for Ambulatory Health Care
4. The Joint Commission
5. Otros programas de reconocimiento de PCMH como los ofrecidos a través de universidades

Para escoger un PCMH reconocido, vea este capítulo. Los PCMH reconocidos tienen un equipo de profesionales de cuidado de la salud trabajando en conjunto para satisfacer sus necesidades de cuidado de la salud.
