Appointment availability training for providers

To ensure members receive care in a timely manner, the state of Florida and the National Committee for Quality Assurance (NCQA) requires PCPs, specialty providers, and behavioral health providers to maintain appointment availability and after-hours access requirements.

Password: Simply123

Due to the importance of these requirements, Simply Healthcare Plans, Inc. invites you to tune in to one of the recorded trainings on this topic.

Our training provides an overview of the Florida Healthy Kids and Statewide Medicaid Managed Care Managed Medical Assistance timely access standards, the components of quarterly surveys, examples of compliant versus non-compliant scenarios, the corrective action plan process, and more.
