

Mind, Body, Magic Launches on YouTube

This communication applies to the Medicaid programs for Simply Healthcare Plans, Inc. (Simply) and Clear Health Alliance (CHA) as well as the Florida Healthy Kids (FHK) and the Medicare Advantage program for Simply.

We're thrilled to announce the launch of our new healthy-living series, *Mind, Body, Magic*, hosted by NBA Hall of Famer and our very own Health Care Advocate, Earvin "Magic" Johnson. The series provides viewers with the information they need to be more confident in managing their health. Over the course of four episodes, Johnson talks with experts from across our state and country about a holistic approach to our well-being.

Don't just take our word for it, check the videos out yourself on **YouTube**. We encourage you to share this educational series on your own page and with those you support in the community. All are welcome to listen and gain insight on how we can take more control over our health. Drop a comment with what you'd like to see from the series next.
