

Connecting care. Supporting care providers. Improving quality of life.

Building shared success starts with stronger partnerships.

Together, we can strengthen care for children with complex needs. Simply partners with **Health Homes** to streamline coordination, reduce gaps in care, and support care providers with the tools and resources they need to achieve better outcomes. Here's what our partnership includes:

Dedicated Contract Manager:

- Single point of contact for all plan-related needs
- Meets with your team regularly
- Provides ongoing support for your Health Home's needs

Collaboration with the plan:

- Strong partnership model to achieve shared goals
- Dedicated to improving the health and well-being of children with complex needs

Community Health Workers (CHWs):

- Provide families with direct support and resources
- Help navigate care coordination to reduce barriers

Performance support:

- Partnership to maintain and improve performance, offering guidance and resources that lead to better outcomes
- Assistance with addressing social drivers of health (SDoH)

Educational funding grant:

- \$30,000 annual capacity building funding tailored to your Health Home's needs
- Use for training, tools, or programs that strengthen care delivery

**Your success is our mission.
Let's improve care — together.**
