

## Training opportunities for behavioral health providers

Sign up with **Psych Hub**, our new training partner for behavioral health providers. You'll have access to Psych Hub's catalog of educational podcasts, videos, and other accredited content. Psych Hub provides the opportunity to receive free continuing education units — a requirement for most professional licenses — at no cost. Numerous self-paced courses in evidence-based interventions are ready and waiting for you. Build your Psych Hub dashboard today by following this link:
