

2022 Simply Healthcare Plans, Inc. rewards program

At Simply Healthcare Plans, Inc. (Simply), we want to help members maintain a healthy, happy, and independent lifestyle. That's why we offer an incentive to all Simply members. The goal of the rewards program is to encourage members to obtain healthcare services that improve their wellbeing and health outcomes.

Members will receive a welcome letter, coupon sheet, and frequently asked questions document. After obtaining an eligible service, members will need to redeem coupons in return for rewards. Members cannot get the same service/reward more than once per year. All members need to do is complete various rewards program services between January 1 and December 31 to receive CVS gift cards worth up to \$80 during the calendar year!

Note: Members enrolled in the Simply Care (HMO I-SNP) plan are not eligible for this program.
