

## Simply Healthcare Plans, Inc. (Simply) and Vivida Health contract acquisition

Elevance Health, Simply's parent company, is finalizing the contract acquisition of Vivida Health (Vivida) and expanding its Statewide Medicaid Managed Care Managed Medical Assistance (SMMC MMA) footprint in region 8 as a non-specialty SMMC MMA plan.

Pending the Agency for Health Care Administration's (AHCA) review and approval, Simply is expected to start serving the healthcare coverage needs of Vivida members on November 1, 2022.

This is an incredible opportunity to create a positive impact on the communities we serve. Transitioning members will have access to an expanded list of value-added benefits and to an extensive provider network. Members will continue to be supported by a health plan and provider network that prioritizes their quality of healthcare and access to services.

Simply and Vivida will continue to operate and exist as separate entities. Once the acquisition is completed, Vivida will no longer be an active health plan. You, as one of our valued providers, should continue to treat and care for members from each health plan as you do under your current contract(s). Your patients' current member ID cards will remain valid. Any changes related to member ID cards will be communicated with sufficient notice.

Your existing provider support channels such as Provider Services and Provider Relations will remain the same. Changes in health plan operations will be communicated well in advance.

Thank you for continuing to serve our members with the highest quality of care.

If you have questions or concerns about these changes or other topics, you can contact your local Provider Relations representative or Simply Provider Services at **844-405-4296**, (Monday to Friday from 8 a.m. to 7 p.m. ET) and Vivida Provider Services at **844-243-5175**, (Monday to Friday from 8 a.m. to 7 p.m. ET).H
