

Prior authorization no longer required for breast pumps

This communication applies to the Medicaid programs for Simply Healthcare Plans, Inc. (Simply) and Clear Health Alliance (CHA) program for Simply.

As of June 1, 2022, Simply and CHA no longer require prior authorization for breast pumps. We recognize that more mothers may need to breastfeed during formula shortages and do not want to impede their access to a breast pump. Additionally, Simply and CHA are dedicated to supporting mothers by proactively addressing their breastfeeding needs.

The following procedure codes, for purchase and rental, will no longer require prior authorization:

- **E0602** — Breast pump
- **E0603** — Breast pump, electric (AC and/or DC), any type

The following procedure code is on a six-month temporary authorization waiver:

- **E0604** — Breast pump, hospital grade, electric (AC and/or DC), any type
