

Pharmacy benefit manager change to IngenioRx

Summary of change: Earlier this year, Simply Healthcare Plans, Inc. announced the launch of IngenioRx, our new pharmacy benefits manager (PBM). Effective January 1, 2020, IngenioRx will start serving our members with Medicare Part D prescription drug coverage.

With the transition to the new PBM, Medicare Part D members will receive new ID cards containing all the information needed to process claims and access member services. Members will need to use their new ID cards to fill prescriptions beginning on January 1, 2020.

Transferring prescriptions

Mail order: Members who fill mail order prescriptions will need to fill their prescriptions with IngenioRx beginning on January 1, 2020. We will automatically transfer member mail order prescriptions to IngenioRx Home Delivery Pharmacy for members currently using Express Scripts Mail Order Pharmacy. Members will receive further instructions by mail on initiating IngenioRx Home Delivery Pharmacy services.

Specialty pharmacy: Members who now fill their specialty drugs with Express Scripts' Accredo will have a few choices of specialty pharmacy providers. Members may: (1) keep Accredo as their specialty pharmacy, (2) transfer their specialty pharmacy prescriptions to the new IngenioRx Specialty Pharmacy or (3) select another participating specialty pharmacy. Members will receive information by mail about their specialty pharmacy options, including further instructions on initiating IngenioRx Specialty Pharmacy.

Retail pharmacy: It is expected that most members will be able to continue using their current retail pharmacy. In the event a member's retail pharmacy is not in the new pharmacy network, we will notify the member directly.

Controlled substances and compound prescriptions: Prescriptions for controlled substances currently being filled by Express Scripts Mail Order Pharmacy cannot be transferred to another pharmacy under federal law. Members currently receiving these medications, who will be using IngenioRx for their mail order provider, will need a new prescription sent to IngenioRx Home Delivery Pharmacy. Compound prescriptions are also nontransferrable and will require a new prescription.

| For providers | Then |
|----------------------|--|
| Who use ePrescribing | Mail order — There are no changes — simply select IngenioRx. |
| | Specialty pharmacy — Select patient's specialty pharmacy provider. |

Simply Healthcare Plans, Inc. is a Medicare-contracted coordinated care plan that has a Medicaid contract with the State of Florida Agency for Health Care Administration to provide benefits or arrange for benefits to be provided to enrollees. Enrollment in Simply Healthcare Plans, Inc. depends on contract renewal. IngenioRx, Inc. is an independent company providing pharmacy benefit management services on behalf of Simply Healthcare Plans, Inc.

| | <p>Specialty pharmacy — Send your specialty pharmacy prescriptions to the members' specialty pharmacy provider. If member has opted to use IngenioRx Specialty Pharmacy, send your specialty pharmacy prescription to IngenioRx. IngenioRx will begin accepting prescriptions January 1, 2020:</p> <ul style="list-style-type: none"> • IngenioRx Specialty Pharmacy: <ul style="list-style-type: none"> ○ Prescriber phone: 1-833-262-1726 ○ Prescriber fax: 1-833-263-2871 |

You can confirm whether your patient has transitioned to IngenioRx through the Availity Portal. Your patient's PBM information can be located in the *Patient Information* section of their patient profile as part of the eligibility and benefits inquiry.

If you have immediate questions, you can contact the Provider Service phone number on the back of your patient's member ID card or call the number you normally use for questions.
